EDITION I: JANUARY 2019

## From the Desk of Mrs. Hansen-Vera:

Happy New Year! Welcome to the Lobo Lowdown: A monthly digital newsletter highlighting school events, news, and reminders for our Quimby Oak community. Each month, a Lobo Lowdown will be published, shared, and posted to our [website](#). The purpose of this newsletter is to help keep parents connected to school happenings and the lives of their middle schoolers. I am looking forward to sharing with you each month!

**Lobo Spotlight:** Bullying continues to be a topic that challenges even the best schools and districts. With the rapid increase of social media use, Cyber Bullying is an issue plaguing many of our students. Negative online behavior stresses and strains a healthy school culture. We want to empower our Lobos, protect them, and teach them positive ways to interact while navigating school and their social lives. Quimby has partnered with an organization called [#iCanHelp](#). They'll be offering Quimby student & teacher workshops, hosting assemblies for our 7<sup>th</sup> and 8<sup>th</sup> graders, and designing a parent night for our Lobo community. #iCanHelp has worked with students to take down over 800 pages dealing with harassment, impersonation, bullying, and more. They work closely with schools in training students on how to respond to cyber issues. Our collaboration with this organization will help give Quimby the tools to be proactive in helping our students create a better world where people are treated with kindness, respect, and dignity.

**Students, need to report? THE LOBO HELP LINE**

*(An anonymous & safe way for students to report concerns to an adult.)*

## What's Happening on Campus:

**JAN. 9:**

Quimby Oak Gym 6:30pm

## Follow Us!

We share daily on our social  
medial accounts. Find us on  
Facebook and Instagram.  
Hyperlinks below!

## Leaders of the Pack: A

new mural has taken shape on  
the back of the gym facing the  
black top. This is the second  
enhancement made to our  
campus since August. We are  
planning additional  
beatification murals to bring  
student-centered spirit and life  
to the campus. We want our  
students surrounded by  
encouraging, colorful murals  
that make the campus feel fun,  
warm and inviting!

**Sports Brief:** Cheer on the  
Boys' Basketball team 1/10. Visit  
our [Sport Page](#) for more info!

## Friendly Reminders:

The 2018-2019 yearbook is being sold DIGITALLY this school year. Please visit the following website and use the following District Code to order your child's yearbook!
